AMEND Senate Resolution 176

By deleting the words "this Body" wherever such words appear and substituting instead the language "the senate of the one hundred and sixth general assembly of the state of Tennessee".

AND FURTHER AMEND by deleting the fifth resolving clause and substituting instead the following:

BE IT FURTHER RESOLVED, that the senate of the one hundred and sixth general assembly of the state of Tennessee urges Congress to provide the states with the greatest authority possible to manage solid waste. Such an authorization should allow states to restrict imported waste and allow restrictions on the exportation of waste, including the imposition of differential fees.
